A. About the College:

Tufanganj Mahavidyalaya, established in 1971, is a General Degree College, offering as it does, scopes for prosecuting higher studies with Honours in twelve subjects, i.e., Bengali, English, History, Political Science, Sanskrit, Sociology, Economics, Botany, Geography, Philosophy, Chemistry & Zoology and General / Pass Course in all subjects including Geography, Mathematics, Education & Physics. Registered under (2) F & 12 (B) of the UGC Act and affiliated to the Cooch Behar Panchanan Barma University this college was assessed and accredited “B+” Grade by the National Assessment and Accreditation Council (NAAC) in 2007, which bears testimony to its academic status in the changing scenario in the sphere of higher education. In 2016 the college was re-assessed and re-accredited by NAAC. Since its inception this College promises to mete out quality education to its learners and render extension service to the people of the locality through NSS, NCC and various academic projects and activities.

The College is located at a spacious campus, surrounded and protected by a boundary wall at Tufanganj Newtown, twenty five kilometers away from Cooch Behar town. Situated in the calm, green and serene lap of nature, it offers an ideal environment for learning and developing personality as well. Presently housed in three main building, it offers courses in Arts, Commerce and Science, all running simultaneously at day time. The medium of teaching is Bengali / English. The College has five staff quarters, one teachers’ mess, a Girls’ Hostel, presently used by Jawahar Navodaya Vidyalaya, a pond and two playgrounds fluttering over 14 acres of land.

“Charaibati” or moving forward is motto of the college, which implies continuous effort to boost up academic improvement, infrastructural, expansion and development of soft skill of the learners of this institution. The sustainability of an academic institution, particularly in the context of globalization, squarely depends on its ability to adapt to the ongoing transformation, its preparedness to adjust itself to the shifting directions, and consistent and compatible quality of education can clinch the efficacy and prosperity of the institution.

F. Course Curriculum:

F.1. Course Curriculum for Undergraduate Courses under Choice Based Credit System

As per guidelines of Cooch Behar Panchanan Barma University the Choice Based Credit System (CBCS) is introduced in Under Graduate course of studies and examinations from the academic year 2017-18.

f.1.1. Choice Based Credit System (CBCS):

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

F.1.1.1. Advantages of the Choice Based Credit System:

1. Shift in focus from the teacher-centric to student-centric education.
2. Student may undertake as many credits as they can cope with (without repeating all courses in a given semester if they fail in one/more courses).
3. CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students).
4. CBCS makes education broad-based and at par with global standards. One can take credits by combining unique combinations. For example, Physics with Economics, Microbiology with Chemistry or Environment Science etc.
5. CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease mobility of students). Credits earned at one institution can be transferred.

F.1.1.2. Definitions:

1. **Academic Session** means academic year from July to June.
2. **Year** means the period commencing from 1st day of July and ending 30th June following.
3. **Semester** means a period of six months beginning from July to December and January to June of each academic session containing equivalent to 90 actual teaching days.
4. **Credit** means the unit by which the course work is measured. It is equivalent to one hour of teaching (Lecture or Tutorial) or two hours of Practical work/Field work per week.
5. **Letter Grade** means an index of the performance of students in a said course. Grades are allotted by letters O, A+, A, B+, B, C, P and F.
6. **Grade Point** means a numerical weight allotted to each letter grade on a 10 point scale.

7. **Credit Point** means the product of grade point and number of credits for a course.
8. **Semester Grade Point Average (SGPA)** means a measure of performance of a student in a semester. It is the ratio of total credit point secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
9. **Grade Card or Transcript** means a certificate issued to all registered students after every semester displaying the course details along with SGPA of that semester.
10. **Cumulative Grade Point Average (CGPA)** means a measure of cumulative performance of students over all semesters. It is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all semesters. It is also expressed up to two decimal places.

F.1.1.3. Course of Studies:

- The admission to UG Degree courses will be governed by the guidelines of the university and the Higher Education Department of Govt. of West Bengal as framed from time to time.
- A Candidate shall be allowed to pursue any one of the Undergraduate Degree programs of the University (not more than one) at a time.

F.1.2. Scheme for Choice Based Credit System in B.A./ B.Sc. Honours Programme:

An undergraduate degree with honours in a subject may be awarded if a student completes-

- **14 Core Courses (CC)** in the honours subject. Suppose a student is pursuing honours in History, then he/she shall have to study 14 Core Courses in History honours.
- **4 Discipline Specific Core Courses (DSC)** from a pool of courses from the honours subject. If a student is pursuing honours in history, then he/she shall have to choose 4 DSC from his/her honours course in History.
- **4 Generic Elective Courses (GE)** from a pool of interdisciplinary courses offered by the college. If a student is pursuing honours in History, then he/she may/may not choose 4 GE courses related to History.
- **2 Ability Enhancement Compulsory Courses (AECC)**, namely (i) English/MIL Communication (ii) Environmental Studies. ('MIL' means Modern Indian Languages)
- **2 Skill Enhancement Courses (SEC)** from a pool of courses designed to provide value-based and/or skill-based knowledge.

F.1.2.1. Course Details:

12.	Chemistry

F.1.3. Scheme for Choice Based Credit System in B.A./B.Sc./B.Com. Regular Programme:

An undergraduate degree with Regular Program in **Arts** may be awarded if a student completes-

- **12 Core Courses** which includes 4 core courses each in 2 disciplines of choice (**DSC**), i.e. $4 \times 2 = 8$ core courses, and 2 core courses each in English and MIL respectively ($2 \times 2 = 4$ core courses), which are referred to as **Language Core Courses (LCC)**.
- **2** courses each from a list of **Discipline Specific Elective (DSE)** courses ($2 \times 2 = 4$ courses) based on the 2 disciplines of choice selected in core course. Thus if a student has selected History and Philosophy as his/her core subject, then he/she has to choose his DSE courses from History and Philosophy as well.
- **2** interdisciplinary courses from the list of **Generic Elective Courses (GE)** offered by the college. If a student has selected History and Philosophy as his/her core subject, then he/she has to choose his **GE Courses** from subjects/disciplines other than History and Philosophy.
- **2 Ability Enhancement Compulsory Courses (AECC)**, namely (i) English/MIL Communication (ii) Environmental Studies.
- **4 Skill Enhancement Courses (SEC)** from a pool of courses designed to provide value-based and/or skill-based knowledge.

F.1.4. Examination details:

1. In the semester system, the under-graduate Examinations will be held in six parts – (i) The First and Second Semester for the first year students and (ii) The Third & Fourth Semester and Fifth & Sixth Semester for the second and third year students respectively. The academic sessions including the examinations for first, third and fifth semester are July to December and that for second, fourth and sixth semester are January to June. Before each of the Semester Examinations, a student will enjoy study leave of 10-12 days for preparation.
2. A candidate shall be eligible for appearing at any of the Semesters of U.G. Examination, fulfilling the following essential condition:
 - **Minimum 75% attendance of lectures delivered.**
3. Students should complete internal assessments before appearing at the respective semester examination and the marks obtained will be carried over in case students fail to pass the course(s).
4. All courses irrespective of credits attached with it, will be assessed on the basis of full marks 50. Out of this 8/10 marks of each theoretical course / unit will be assessed through continuous evaluation during the semester and 40/42 marks in the end-semester examinations. All the internal continuous evaluation

will be conducted by the internal teachers of the Department. It shall be on the basis of tutorials, term papers, reports, seminar presentations, class tests or any combinations thereof, evenly distributed over the entire period of study, and on the basis of the percentage of a student's attendance in class. The modalities of such assessment will be recorded and documents will be preserved by the college.

5. The AECC courses will be assessed through continuous evaluation by the college and the related documents shall be preserved.
6. In the Semester system, there would be automatic progression right from the first Semester, till the sixth Semester, irrespective of the marks obtained in the previous Semesters subject to the fact that the eligibility conditions for appearing in the examination are satisfied.
7. A student failing to pass in one or more course(s) in 1st/2nd Semester Examination shall be permitted to re-appear in that course(s) in respective semester examinations of the following year as 2nd chance. A student will be permitted to clear his/her failed course(s) in maximum three consecutive chances irrespective of availing/not availing any particular chance. If a student wishes to skip examination in a semester it would be included within the stipulated three chances. Students who skip 1st/2nd Semester Examination will be eligible to clear those course(s) in the respective Semester Examinations of subsequent years (i.e. 1st Semester with the 1st Semester of the subsequent year, 2nd Semester with the 2nd Semester of the subsequent year and so on).
8. If a candidate secures qualifying grade (P grade) in all courses he/she will be declared to have qualified the said semester and the result will be shown as Q. However, if a student fails to secure qualifying grade P in a particular course his/her result of the concerned semester-end examination will be declared SNC (Semester Not Cleared). Marks obtained in the internal assessment will be clubbed with marks obtained in the semester examination before awarding the grade. If a candidate fails to secure pass grade in a particular Course, he/she will have to appear in that Course only. The internal assessment marks will be retained for next examination(s) with valid chances.

G.1.4.1. Duration of Examinations:

Subjects	Full Marks	Duration
Honours/Program Theoretical Paper	40/42	2 Hours
Honours/Program Practical Papers	Below 50	3 Hours (Maximum)

F.1.5. Results: Grading on 10 point scale

10 POINT SCALE		
LETTER GRADE	GRADE	% OF MARKS
O (Outstanding)	10	90 - 100
A+ (Excellent)	9	80 – 89
A (Very Good)	8	70 – 79
B+ (Good)	7	60 - 69

B (Above Average)	6	55 - 59
C (Average)	5	50 – 54
P (Pass)	4	40 – 49
F (Fail)	0	x
Ab (Absent)	Ab	x

After publication of the results of each semester, the University will issue **Grade card** to each candidate, which will contain the list of papers, the grades and the credit points, actual obtained marks in percentage obtained by the student along with SGPA in that semester. Course code will be an alpha-numeric symbol that would signify the course, semester and the department.

SGPA is evaluated by the formula:

$SGPA (S_i) = \sum (C_i \times G_i) / \sum C_i$, where C_i is the number of credit of a paper, G_i is the grade point.

On successful completion of the program, CGPA will be calculated as follows:

$$CGPA = \sum (C_i \times S_i) / \sum C_i$$

Illustration of SGPA & CGPA:

Computation of SGPA

Course	Credit (C ₁)	Letter Grade	Grade Point (G ₁)	Credit Point (C ₁ x G ₁)
Course - 1	6	A	8	48
Course - 2	6	B+	7	42
Course - 3	6	B	6	36
Course - 4	2	O	10	20
	20			146

Thus, SGPA (S_i) = $\sum (C_i \times G_i) / \sum C_i = 146/20 = 7.30$

On successful completion of the program, CGPA will be calculated as follows:

$$CGPA = \sum (C_i \times S_i) / \sum C_i$$

Suppose a student has secured the following SGPA in 6 semesters:

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22
SGPA: 7.27	SGPA: 7.36	SGPA: 6.91	SGPA: 7.63	SGPA: 8.73	SGPA: 7.63

Thus, CGPA = $(22 \times 7.27 + 22 \times 7.36 + 22 \times 6.91 + 22 \times 7.63 + 22 \times 8.73 + 22 \times 7.63) / 122 = 8.21$
