

Recommendations

Although the Peer Team has observed above positive features of the College still it feels that there are some aspects which need attention of the Management, Principal and Teaching staffs. Hence, the following recommendations are made.

- 1 The College may start a few Honours Courses like B.Com Honours, Geography Honours and a few Science Honours programmes, which have job potential.
- 2 Automation of the library services and administration may be completed.
- 3 Faculty may be encouraged to publish their research work in referred journals.
- 4 College may start some self financing programmes in emerging areas and vocational courses.
- 5 Management may think of providing hostel facilities to the poor and needy.
- 6 College may explore possibilities of collaborating with research institutions both at the state and national levels.
- 7 College budget may include substantial funding for developmental activities.
- 8 Placement Cell activities need to be further strengthened.
- 9 Alumni Association may be strengthened in a structured manner to participate in various activities of the College.
- 10 Structured feedback mechanism may be developed. The computer Lab may be equipped with more computers.
- 11 The faculty may give attention in enhancing the overall skill of the students specially in the communications area so as to empower them to face the challenges in the job markets in the changing scenario.
- 12 Establishment of Cyber Caf^é will broaden the students knowledge.
